Equipping Yourself for the Battle

January 2008— Regular Baptist Press (RBP) announces the release of [*Called to Conquer*](#), by Dorothy Davis.

Have you thought about the fact that every day when your feet hit the floor, you are entering a battle zone? Not only are there enemies around you, but there is also a conflict within you! The Christian life is a holy war, a real war, and it's no picnic! The fight is spiritual, and the weapons are supernatural.

This woman's guide to spiritual victory will help you identify the enemies you face and the weapons God has provided for the fight. As a woman of God, you have been *Called to Conquer*. It's time to face the battle!

[*Called to Conquer*](#) can be used as a group or individual study. It consists of 10 lessons with thought-provoking questions. A leader's guide is included in the back of the book.

Dorothy Davis is active in the educational and music ministries of her local church. In addition, she speaks at women's gatherings and retreats. She desires to help women appropriate the truths of God's Word for the problems they face. This is her seventh study in the RBP Women's Studies series. Dorothy, her husband, Dale, and their four children live near Binghamton, New York.
