## Where did they go wrong?

February 2007—Regular Baptist Press (RBP) announces a new edition of Ernest Pickering's *Charismatic Confusion*, updated and expanded by Myron Houghton. *Charismatic Confusion* is for anyone who desires to learn more about the charismatic movement and how it affects the church.

Ernest Pickering directly addressed four errors in the charismatic movement that cause confusion: exegetical, dispensational, theological, and ecclesiastical. Myron Houghton describes the progression of the charismatic movement and illustrates how these errors continue to plague the church in the 21<sup>st</sup> century with updated support and examples.

When you are challenged with erroneous teaching, this book will enable you to respond with a Biblical explanation of the temporary nature of certain revelatory spiritual gifts.
