RBP Announces VBS 2008 **DinoDetectives: Digging for God's Truth**

June 2007–Regular Baptist Press (RBP) announces the 2008 Vacation Bible School program, *DinoDetectives: Digging for God's Truth*.

Encourage kids to become DinoDetectives (paleontologists) and go all the way back to the beginning of God's creation. Then guide them on a dig to learn about dinosaurs and discover answers to the basic questions of life: Who am I? Why am I here? How did this universe get here? Who set the standards and rules for life?

Kids will learn that God created us to love and worship Him. That He made provision for our salvation before the foundation of the world. And that Our Creator has given us His Word, the Bible, to show us Himself and to tell us how we can have a relationship with Him through the death of His Son, Who is the Creator of all.

Come on a dig with us; explore God's creation; help kids discover God's Truth for themselves!

The DinoDetectives VBS Kit is scheduled to begin shipping in November 2008.
