RBP Helps Build Vibrant Church Ministries by Christ's Design

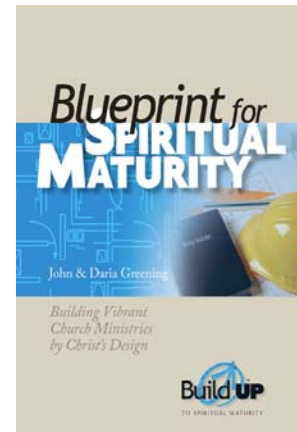

September 6, 2005— Regular Baptist Press (RBP) announced the release of [*Blueprint to Spiritual Maturity*](#) written by John & Daria Greening.

Every true church composed of believers in Jesus Christ has an obligation to build His church according to His plan. He is the architect. The goal is the spiritual maturity of each believer. The design is intentionally, age-appropriate Bible teaching.

This book and the [BuildUP series of Bible studies](#) that it introduces are designed to assist in building a church according to Christ's plan.

Blueprint is a program that intentionally moves people toward spiritual maturity. Components of this program are curriculum resources that are designed to Build Lives by the Book, Blueprint Seminars that train church leaders in the use of the buildup educational philosophy, and seven BuildUP Bible studies that may be used individually or in small groups to encourage spiritual growth in specific areas.

John Greening is the national representative for the [General Association of Regular Baptist Churches](#). His wife, Daria, is his administrative assistant.
