**New Adult Curriculum from Regular Baptist Press Helps Adult Learners  
Apply God's Word to Their Lives in Practical, Effective Ways**

June 1, 2004 — Regular Baptist Press (RBP) announces the release of [Life Design](#), a new adult curriculum. The scope of the new Life Design series will cover the entire Bible in an eight-year sequence, alternating between Old Testament and New Testament books.

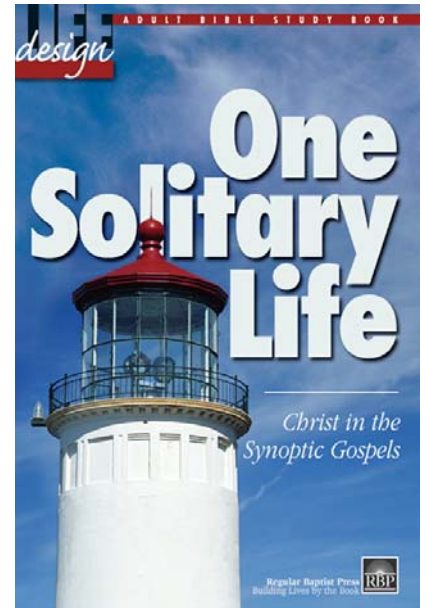

Each study helps adult learners complete inductive Bible study on their own or in groups and to apply God's Word in practical, effective ways.

The new Life Design material includes five complementary components:

- Leader's guide
- Student Bible study book
- Teacher resource CD-ROM
- Overhead transparency packet
- Weekly Horizons take-home paper

Together this material will help . . .

- Simplify lesson preparation with a 3-step plan
- Save time (commentary in the lesson plans)
- Get learners into the Word with thought-provoking, inductive study
- Prepare learners for going deeper in class or group discussions
- Assist your learners to visualize and apply key concepts and truths with the presentation resources
- Save money with lower-priced Leader's Guide

Here's what churches are saying about *Life Design*:

"User friendly."

"An excellent inductive Bible study."

"It involves the student in the learning process."

"Readable; well designed."

"Pushes the student into the Word for answers as well as bridging to the application."
