### Q1. What is the Bible?

A. The Bible is the only Book that is God's Word to us.

### Primary Truth

The Bible is the only book that is God's Word to us. It is better and more important than all other books combined!

### WHAT THIS DOCTRINE REVEALS ABOUT GOD

The purpose of this lesson is to help children understand that the Bible is the most special and important book ever written. The apostle Paul wrote in **1 Thessalonians 2:13**, "When you received the word of God which ye heard of us, ye received it not as the word of men, but as it is in truth, the word of God." The Bible is important because it teaches us about God. He wants us to know who He is and what He wants to do in this world. God has a perfect will for the whole world. We learn about Him and His will in the Bible.

### KNOWLEDGE OBJECTIVE By God's Grace . . .

- Children will begin to comprehend and articulate the vast difference between the Bible and other books.

### ATTITUDE OBJECTIVE By God's Grace . . .

- Children will gain a deeper appreciation for simply owning a Bible.
- Children will treat their Bibles with reverence and respect by not leaving them under their beds or in their family's vehicles.
- Children will grow in their gratitude toward the Lord, Who provided His Word.

### Discussion Time

- How do you think we should treat our Bibles?
- Why should we treat the Bible better than other books?
- How do you think God feels when we don't treat the Bible very well?
- What are some specific ways we can show that the Bible is special to us?
