Watch and Learn

What do the adults in your house know how to do that you don't? Bake a dessert? Change a tire? Tune up a bike? Tend a garden? The best way to learn is to watch someone who already knows how to do a thing. Ask grown-ups in your house if you can help them do a project, and you just might make a good memory in the process!

This is the same way Jesus taught Peter and the other disciples: "Follow Me. Watch what I do and learn to be like Me." Today people learn to be like Jesus by reading the Bible and learning from others who love Jesus and want to grow to be like Him.
