

CAMP MOOSE-ON-THE-LOOSE

VERSE 1

Pitch the tents; the fire's going.

*[Raise arms above head like a roof,
then wiggle fingers up to mimic smoke rising.]*

Let's go hike in the great outdoors.

[Walk briskly in place.]

Find some worms, and let's go fishing.

[Put hands together and wiggle them like a snake.]

Cast a line down by the shore.

[Mimic using a fishing pole.]

CHORUS

Oh, there's so much to see!

[Put hand on brow and look side to side.]

Ooo, there's so much to do!

[Wiggle hands in air.]

At Camp, Camp Moose-on-the-Loose!

*[Put hands on either side of head,
fingers outstretched to mimic antlers.]*

We're all out here together, so gather around.

[Swipe arm in a left to right motion.]

We'll discover the love and forgiveness

that's found *[Hug self.]*

in Jesus *[Point up.]*

At Camp Moose-on-the-Loose!

*[Put hands on either side of head,
fingers outstretched to mimic antlers.]*
