**God Instructed Noah**

# God Instructed Noah

Genesis 6:5–14; Hebrews 11:7

ONE DAY God looked at the people on earth and became very sad. He was sad because the people were doing bad things. They did not want to hear about God.

But God found one man who made Him happy. That man was Noah. Noah made God happy because he obeyed God.

God told Noah it was going to rain for many days. The earth would have water all over it. God wanted Noah and his family to be safe. So God told Noah to build a very big boat. It took Noah and his family a very, very, very long time to build the boat. Noah cut big pieces of wood. He pounded many nails into boards.

Noah built the big boat just as God had told him to do. God was happy because Noah obeyed. You make God happy when you obey too.

## Let's talk about the picture:

1. Point to Noah. How did he make God happy?
2. Point to the big boat. Why did Noah have to build a boat?
3. Point to Noah's three sons. What are they doing?
