Notes to the Teacher

1. Remove the letter to parents from the front of each student book and sign each letter. Distribute the letter to the parents of each child in your class on or before the first Sunday of the quarter.
2. In preparation for the quarter, you may want to take apart all the student books and cut around the stickers. Put all the lesson 1 sheets and stickers in a folder; put all the lesson 2 sheets and stickers in another folder; continue for all thirteen lessons. This will save you time during the week.
3. If a child is absent, be sure to give that child the student book sheet (and any stickers or additional pieces) and take-home card the week following the absence.

Using the Student Book Sheets

This student book will help you review with the children the Bible lessons and memory verses. As the children work on their sheets, talk with them about the pictures. After printing a child's name on the paper, have that child repeat the Bible verse with you.

Fall Quarter 2019

STRONG kids

Welcome to the 2s & 3s Department!

Perhaps this is your child's first experience in a class. Be assured that while we do have some structure to the hour, we keep the schedule flexible. We use a variety of well-planned activities to help your child learn Biblical truths in engaging ways.

Special Needs

We care about your child and strive to provide a safe environment each week, so please let us know any special needs your child may have, including food sensitivities. In addition, if you use a shortened name or a nickname, we will do the same.

Review with Your Child

Each week take time to reinforce with your child the Bible verses and lesson truths listed on the back of this page. Ask your child to tell you about the picture on the student book sheet. Displaying the sheet on your refrigerator is a great way to reinforce the truths your child will learn. At the end of each unit, staple together all the student book sheets to make a picture book. Your child will enjoy flipping through the pages to review the stories.

Sincerely,

Lesson Truths

Weeks 1–5
God Saved Noah

Through stories about the life of Noah, children will learn what obedience is and that obedience to God, parents, and teachers pleases God. Noah's life pleased God, and Noah obeyed God in all aspects of constructing the boat and putting the animals and food on board.

Weeks 6–10
God Provided for Israel

By hearing about the experiences of God's people, the Israelites, children will learn how God gave His people meat, bread, water, and clothes. Children will realize that God cares for them and meets their needs too.

Weeks 11–13
Israel Gave Thanks

Learning how the Israelites celebrated the Feast of the Tabernacles will help children focus on the theme of thanksgiving. Children will learn the importance of thanking God for everything He has given them.

Suggestions for Parents

Today we emphasized that Noah's actions pleased God. Because Noah pleased God, God asked him to build a boat, and Noah obeyed. Do you let your child know when his or her actions please you? It's important to set boundaries for your child and say no, but your child needs to know when you are pleased with what he or she does. Look for opportunities this week to say to your child, "Thank you for obeying. You make God so happy when you obey. And you make me happy too!"
