Note to Teacher

This book has been prepared for pre-primary children. The book is perforated so you can tear out each sheet, complete it in class, and send it home with the child. Each page includes directions for completing the activities on that page. Encourage the child to share his paper with his parents and other family members. The parents' letter is on page 3. Send it home with the child on the first Sunday of the quarter or deliver it personally before the quarter begins. The back of the letter contains unit overviews and a list of memory verses for the quarter.

As you prepare for the quarter, take apart the student books and cut around the stickers for each lesson. Put all the lesson 1 handwork sheets and stickers in an envelope or folder; put all lesson 2 handwork sheets and stickers in another envelope; continue for the 13 lessons. This will save time during the week.

If a child is absent, make sure he receives his handwork sheet, stickers, and the *Strong Kids at Home* take-home paper. This will help him review the Bible lesson he missed.

Using the Handwork Sheet

This resource will help you review the Bible lesson and memory verse with your students. As the children are working on their handwork sheets, talk about the Bible story or its application. Help each child write his name on his paper.

Fall Quarter 2019

Thank you for bringing your child to Sunday School.

Our goal is to teach important Biblical truths about God, God's Word, and God's Son. We want to partner with you to help your child become strong in his knowledge of Scripture and develop an unshakable love for the Lord.

Faithfulness

The title of this quarter is "God Leads." To let God lead means we need to have faith in Him and be faithful to Him. In the stories of Ruth and Hannah, we learn they were successful with this. Unfortunately, most of Israel's kings had heart desires that led them away from faithfulness to disobedience and judgment. Help your child focus on what God is looking for in faithfulness. Use the example of David, emphasizing that God knew David's heart, and He also knows ours (1 Samuel 16:7).

From the study of Solomon, help your child learn that he can always ask God for help and wisdom to do right. The quarter ends with an emphasis on worship. God alone deserves our worship. He is the only One worthy of our praise. As your child continues his Bible education through Sunday School and children's clubs, he will add to his abilities to worship the Lord in holiness (1 Chronicles 16:29).

Find Your Voice

We need your help to accomplish spiritual goals. The back of this sheet contains a list of memory verses that coordinate with the lessons. Help your child learn the verse for each week. Learning Scripture is another way to build confidence in what you believe. Let him tell you the Bible story, using his handwork sheet, take-home paper, and any projects he has done. For review and application ask the questions and make the observations found in the take-home paper. Help your child complete the activities. If you do not regularly attend church with your child, we invite you to study God's Word with us. The pastor or a staff member is always available to answer your questions or talk with you about your own spiritual needs.

Sincerely,

teacher

Quarter Overview

Faithful Ruth and Hannah Weeks 1—4

This unit's focus is on two women who demonstrated faithfulness to others and to God. Ruth made a personal sacrifice to care for Naomi. Faithful Hannah gave up her firstborn son to serve the Lord.

Flawed Saul Weeks 5—7

Unit 2 begins the study of Israel's first kings. Unfortunately, King Saul was a poor example of leadership for his country. Students learn that God expects us to obey Him and His Word.

Fervent David Weeks 8—10

In this unit on David, we see God take him from shepherd boy to king of Israel. Students will learn that God knows who we really are on the inside.

Faithless Solomon Weeks 11—13

In unit 4, David's son Solomon begins a reign that brings glory to God and to Israel. Students learn what it means to worship. Students understand that the One true God does not tolerate worship of false gods.
