# 2s & 3s Lesson Truths

## Spring 2021

### **Weeks 1–3: God Protected**

The lessons in this unit focus on Moses: his family, his mother's loving care in making the basket-bed, the princess's care, and grown-up Moses leading God's people. Your child will learn that God cares for us and is with us everywhere.

### **Weeks 4–8: God Loved**

The Bible stories for this unit include Jesus' triumphal entry, His resurrection, two post-resurrection appearances, and His ascension. Your child will realize that Jesus loves us, that Jesus is living, and that Jesus is in Heaven today.

### **Weeks 9–13: God Cared**

This unit includes two Bible stories from the time of Elisha: oil provided for a poor widow and a room made for Elisha. Your child will learn that God gives us what we need, including our homes. In addition, the lessons on Captain Naaman's and a lady's sickness will teach your child that God cares for us and helps us when we're sick.

# God Protected Moses

Exodus 1:8—2:2

STEP, step, step. Very softly big sister Miriam walked across the room. Big brother Aaron fanned the flies off the baby. Everyone was very quiet. They did not want baby Moses to wake up crying.

Mother and Father had been so happy when their little baby boy was born. Miriam was excited to have a baby in the house. Aaron was glad to have a baby brother. Everyone loved the new baby.

Baby Moses was getting a little bigger now. He liked to make noises. He would coo and ah.

But the king and some bad soldiers did not like little baby boys. The king had said that new baby boys should be thrown into the river. This made Moses' family very sad. They did not want baby Moses to be thrown into the river.

Each person in the family helped keep baby Moses from crying. His family loved him and cared for him.

## Let's talk about the picture:

1. Point to the baby. Who is holding him?
2. Point to the baby's father.
3. Point to the baby's sister and brother.

**A Bible Verse for You**
