# 2s & 3s Lesson Truths

## Summer 2021

### **Weeks 1–8: God Created the World**

Learning about the account of creation in Genesis, children will discover that God made day and night; sky and land; things that grow; the sun, moon, and stars; seasons for His world; and living creatures, including fish and birds, animals, and people. Children will realize the greatness and power of God in creation and will be glad for everything God made.

### **Weeks 9–13: God Provided for Adam**

Through the lessons in this unit, children will learn that God gave Adam work to do and that God forgave Adam and Eve. Children will also learn about the additions of Cain and Abel to Adam and Eve's family and will discover the wonderful truth that God made each child. Children will realize that God made them and planned for their families.

**God Made Day and Night**

# God Made Day and Night

Genesis 1:1–5

IN THE very beginning of time, God created the earth. But nothing existed on the earth. There were no flowers or trees or grass or clouds. There was nothing—just darkness everywhere.

God looked down from Heaven and said, “Let there be light.” And there was light! Everything was suddenly bright. Now it wasn’t dark all the time. God said the light was good.

Then God made the light and darkness appear at certain times of the day. God called the light day. The daytime is bright so we can work and play. God called the darkness night. The nighttime is dark so we can rest.

God knew just what we would need. He knew we needed a time to run and play and a time to rest and be quiet. God used His great power to make day and night for us.

## Let’s talk about the picture:

1. What did God call the light time?
2. What do we do in the daytime?
3. What did God call the dark time?
4. What do we do in the nighttime?
