Note to Teacher

This book has been prepared for pre-primary children. The book is perforated so you can tear out each sheet, complete it in class, and send it home with the child. Each page includes directions for completing the activities on that page. Encourage the children to share their papers with their parents and other family members. The parents' letter is on page 3. Send it home with the child on the first Sunday of the quarter or deliver it personally before the quarter begins. The back of the letter contains unit overviews and a list of memory verses for the quarter.

As you prepare for the quarter, take apart the student books and cut around the stickers for each lesson. Put all the lesson 1 pages and stickers in an envelope or folder; put all lesson 2 pages and stickers in another envelope; continue for the 13 lessons. This will save time during the week.

If children are absent, make sure they receive their student book pages, stickers, and the Strong Kids at Home take-home papers. These resources will help them review the Bible lesson they missed.

Using the Student Book Pages

The student book pages will help you review the Bible lesson and memory verse with your students. As the children are working on their pages, talk about the Bible story or its application. Help the children write their names on their papers.

Winter Quarter 2025–26

Thank you for bringing your child to Sunday School.

Our goal is to teach important Biblical truths about God, God's Word, and God's Son. We want to partner with you to help your child become strong in his or her knowledge of Scripture and develop an unshakable love for the Lord.

God Planned

This quarter's theme is a study of God's plan for His Son, Jesus. We will begin with four lessons on His birth, followed by three lessons on His childhood. Students will learn that God's plan to send Jesus as the Savior of the world could not be stopped. Students will realize that they, too, need Jesus as their Savior from sin.

Unit 3 devotes six lessons to Jesus' ministry. Students will learn of the power of the Son of God to do the miracles of which Isaiah wrote (Isaiah 35:4–6). These were the sign of the Messiah. In lesson 13, students learn that Jesus showed His glory to His disciples (the Transfiguration). This was not a display, but a proof He is the perfect Son of God.

Growing Strong

One of the main teaching aims this quarter is repeated in 10 out of 13 lessons: Believe the gospel. Throughout His ministry, Jesus' aim was to teach His disciples to understand, believe, and share the gospel. Believing is fundamental to having success in all the other areas of growing in Christ. You can help your child build on his or her belief by learning Scripture. The back of this sheet contains a list of memory verses that coordinate with the lessons. Help your child learn the verse for each week. Make sure your child knows what the verse means as well as what it says.

If you do not regularly attend church with your child, we invite you to come and worship the Son of God during this holiday season and throughout the year. The pastor or a staff member is always available to answer your questions or talk with you about your spiritual needs. Come and learn more about your Savior, the perfect Son of God.

Sincerely,

Teacher

Quarter Overview

God Planned Jesus' Birth Weeks 1—4

In these lessons, God introduces Jesus as the Savior of the world. Through the written Word, we have the advantage of seeing “the big picture.” Your child will understand that God has always had a plan to redeem sinners and that His Son, Jesus, is at the center of His plan.

God Planned Jesus' Childhood Weeks 5—7

This unit will help your child see that Jesus was a child just like he or she is. God helped His parents care for Him. As Jesus grew up, He was obedient to them and to God. Though others endangered His life and questioned His knowledge, God's plan for our Savior could never be stopped.

God Planned Jesus' Ministry Weeks 8—13

The miracles of Jesus' ministry were a large part of God's plan to show people His Son's power and their need of a Savior. They were another proof that He is Messiah. Your child is finding out that he or she needs a Savior. Your child is learning from Bible lessons and the quarter's memory verses that only God's perfect Son has the power to forgive sin. This is God's plan to save your child.

NAME _____

Jesus Is God's Plan

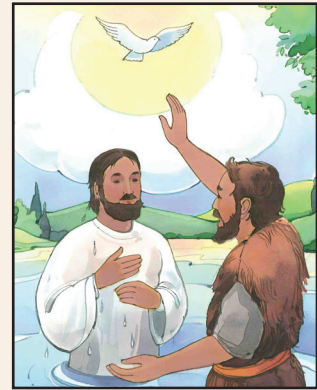

"The LORD hath laid on him the iniquity of us all" (Isaiah 53:6).

Directions: God told Isaiah His plan long before Jesus was born. Listen as your teacher reads each sentence. • Draw a line to match the sentence with the picture that shows God's plan.

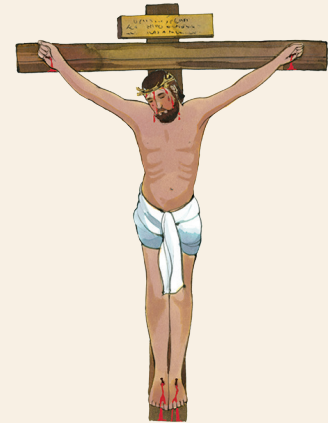

1. A virgin would give birth to the promised Messiah.

2. When God's Son grew up, the Spirit of the Lord would come on Him.

3. God's Son would make the blind see, the deaf hear, and the lame walk.

4. Jesus would be arrested. Roman soldiers would put a crown of thorns on His head.

5. Jesus, God's Son, would die on the cross for our sin.
