Notes to the Teacher

1. RBP prepared this book for primary students. The book is perforated so you can tear out each sheet, complete it in class, and send it home with the student. Each page includes directions for completing the activities on that page.
2. The parent letter is on page 3. Send this page home with the student on the first Sunday of the quarter or deliver it personally before the quarter begins. Page 4 contains an overview of this quarter's lessons and a list of all the memory verses.
3. If a student is absent, make sure he or she receives the handwork sheet and the Strong Kids at Home take-home paper. This will help the student review the Bible lesson.

Using the Handwork Sheets

The first page of each lesson contains a Lesson Review section.

Each one is an opportunity to review the previous week's lesson. As students arrive to class, let them work on the activity about five minutes into class time. Make sure the students' names are on their papers before you collect them.

You will use the handwork sheets again at the end of the lesson. The students will work on the activities on the back of the sheets. As they work, discuss the Bible story or its application. Let students do as much as time permits. Send the page home with them.

Spring Quarter 2026

Thank you for bringing your child to Sunday School!

When you think of spring, you may think of warming temperatures, school activities, upcoming vacations, holiday celebrations, spring cleaning . . . the list goes on! We know you have many things to do and many places you could go each Sunday, and we are excited that you choose to bring your child to our Sunday School.

In units 1 and 3, your child will learn that we can trust God to provide for our needs because God is trustworthy. Lessons about the lives of the prophets Elijah and Elisha will reinforce this truth. Your child will learn how God provided for the two prophets in both ordinary and extraordinary ways.

Unit 2 jumps to the New Testament to present how God provided Jesus, our Savior from sin. Your child's faith will grow as he or she learns to understand Jesus as God's light in a world dark with sin.

Unit 4 covers Josiah, Daniel, Esther, and Nehemiah—all of whom glorified God by courageously obeying Him. The Bible lessons teach your child that he or she can trust God and that He will always keep His word.

Discuss your child's worksheet each week and ask your child what he or she has learned in Sunday School. Plan to help your child memorize the Bible memory verses listed on the back of this sheet. Your child will receive a verse sticker to place on his or her attendance chart after reciting the verse the following week.

The Strong Kids at Home take-home paper your child brings home every week contains an application story, a Bible lesson review, and fun activities related to the Bible lesson. The take-home paper will help you continue your child's learning throughout the week.

We are grateful for the privilege to teach your child during the coming quarter.

Sincerely,

Teacher
