Note to Teacher

This book has been prepared for pre-primary children. The book is perforated so you can tear out each sheet, complete it in class, and send it home with the child. Each page includes directions for completing the activities on that page. Encourage the children to share their papers with their parents. The parents' letter is on page 3. Send it home with the child on the first Sunday of the quarter or deliver it personally before the quarter begins. The back of the letter contains unit overviews and a list of memory verses for the quarter.

As you prepare for the quarter, take apart the student books and cut around the stickers for each lesson. Put all the lesson 1 pages and stickers in an envelope or folder; put all lesson 2 pages and stickers in another envelope; continue for the 13 lessons.

If children are absent, make sure they receive their student book pages, stickers, and the Strong Kids at Home take-home papers. This will help them review the Bible lesson they missed.

Using the Student Book Pages

The student book pages will help you review the Bible lesson and memory verse with your students each week. As the children are working on their pages, talk about the Bible story or its application. Help the children write their names on their papers.

Spring Quarter 2026

Thank you for bringing your child to Sunday School.

Our goal is to teach important Bible truths about God, God's Word, and God's Son. We want to partner with you to help your child become strong in his or her knowledge of Scripture and develop a genuine love for the Lord.

God Helps

This quarter's lessons emphasize God's desire to help us by providing for our needs and giving us strength to make life-changing decisions. Lessons on Elisha show God's care, even for His enemies. Students will learn how Daniel, his friends, Queen Esther, and Mordecai stood strong with God's help while in captivity. The characters knew God was in control and was with them in all things. Jesus' death and resurrection will be the focus of Easter Sunday. The emphasis is on Jesus' love for us in giving His life and the truth that He is alive.

Growing Strong

This quarter's lessons are exciting and powerful. Your child will learn God cares about us and will never leave us. Jesus hears and answers our prayers. He is in control of everything and everyone. You can help your child learn Scripture to build his or her faith and trust in God. The back of this sheet contains a list of memory verses that coordinate with the lessons. Help your child learn the verse for each week. Make sure your child knows what the verses mean.

If you do not regularly attend church with your child, we invite you to study God's Word with us. The pastor is available to answer your questions or talk with you about your own spiritual needs.

Sincerely,

Pre-Primary Teacher

Quarter Overview

Elisha: God Is Caring Sessions 1—4

The first unit focuses on God's love and care, even for enemies. God uses Elisha to show God's power and care to the poor, the grieving, the starving, and the sick.

Daniel: God Is Close By Sessions 5—9

God is faithful to care for us. He hears and answers our prayers. Lessons on the Jews in captivity emphasize that God is with us in all places. The Easter lesson covers obedience and answered prayer. When we call out in faith for Jesus to save us, He answers and provides salvation.

Esther: God Is in Control Sessions 10—13

God places Esther and Mordecai in positions within the government to save His people from certain death. God's plans cannot be stopped by anyone.
