Camp Moose on the Loose Music

Providing songs that kids and churches will love. Our songs are exciting, kid-friendly, and geared for VBS. They are also produced with churches in mind. We want to provide options that fit the range of values of all churches in our constituency.

Teaching kids Biblical truth. We believe that well-written songs are a great way to reinforce the Biblical truths taught in VBS. Children will often remember a song longer than they'll remember a lesson!

Reaching kids for Christ. An important goal for our VBS is to teach children the content of the gospel—the words of Scripture that point them to Christ. These Biblical truths are reinforced in the songs we choose.

Having fun with a purpose. We include an exciting variety of songs about the fun theme and Bible lessons. But our main goal is reaching the hearts of children for Christ, so our songs teach Biblical truth in simple, careful language. And we take care not to trivialize our teaching on a holy God.

Helping church musicians. We provide each song in several formats—everything your music team needs to learn and effectively teach the music. Songs are pitched carefully in accessible keys for children.

Instructions for songs with motions

are included on the **VBS Resources** (34502 or 34502EB).
